

# STEFAN GEORGIEV

Location: Bulgaria, Plovdiv · Phone: 0895606443

Email: [stefan20152003@gmail.com](mailto:stefan20152003@gmail.com)

My work experience is not much, but I am motivated to start a job as soon as possible and gain knowledge in order to advance in programming and develop much harder projects.

## EXPERIENCE

### Intern

Sibiz — Internship

September 2025 – December 2025 4 months

I have basic knowledge of .NET technologies as we have studied them intensively for my last 3 years in high school.

I also have basic understanding in web-based programming languages.

## EDUCATION

YEAR: 2022

**DEGREE TITLE: HIGH SCHOOL DIPLOMA**, SCHOOL: DOBRI CHINTULOV HIGH SCHOOL OF MATHEMATICS & NATURAL SCIENCES

I graduated with a qualification in software and hardware sciences.

YEAR: 2023/2024

**DEGREE TITLE: BACHELOR**, SCHOOL: PAISII HILENDARSKI UNIVERSITY OF PLOVDIV

I am second year, studying software engineering.

YEAR: 2019

**CERTIFICATE: Programming Basics with C#**, SCHOOL: Software University

## SKILLS

- Analytical
- Problem-solving
- Decision-making
- Collaboration
- Adaptability
- Creativity

## **ACTIVITIES**

I really enjoy the field of technology as it allows me to develop stuff on my own and advance my knowledge and skills. Here some of my projects: RC car that I have built and programmed to be controlled wirelessly using hand gestures.
